How to add testimonial to slider ?

1. Before we add testimonial we need to set form settings as per requirement so login to admin panel. At bottom there is menu called "Best Testimonial Slider" click on "Manage Sliders"

2. Click on "Form Settings" against the testimonial slider you would like to set settings.

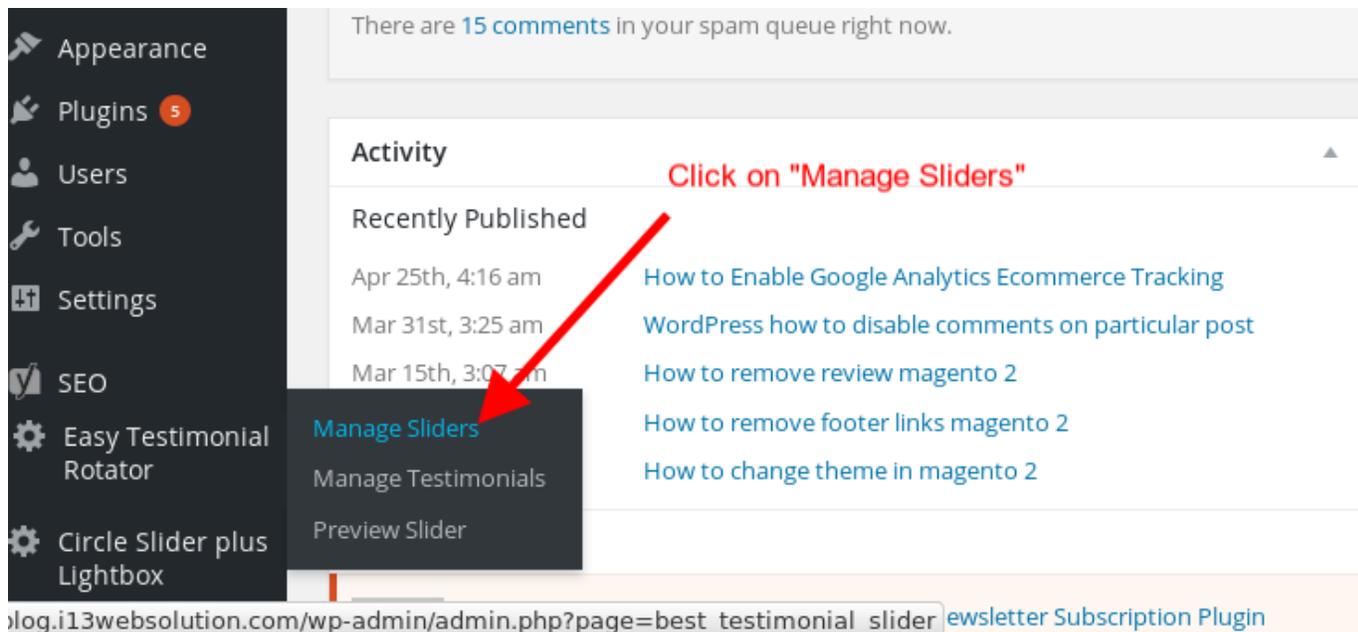

3. You can set forms labels, forms fields you want to set and set which fields are required or not. You can also set settings for testimonial moderation and email notification for new testimonial received. Fill required options and click "Save Changes"

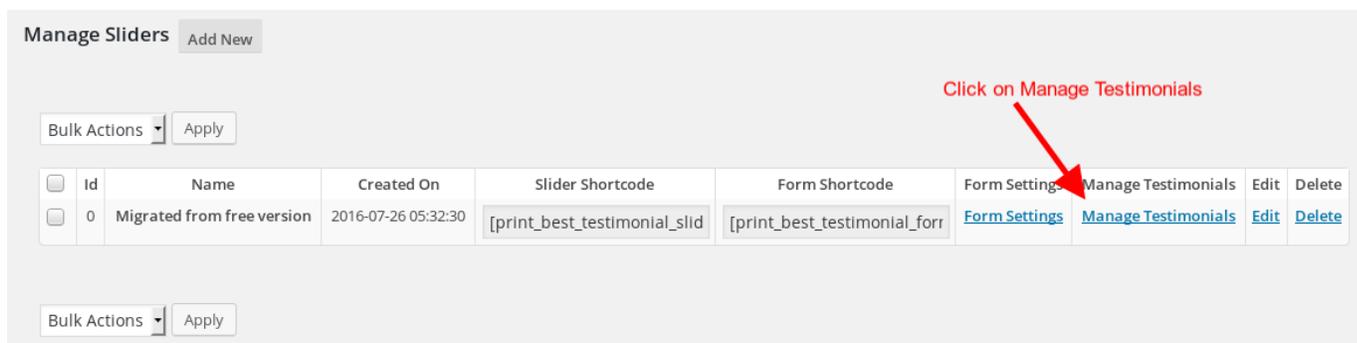

The screenshot shows the WordPress admin dashboard with a sidebar on the left and a main content area on the right. The sidebar contains a menu with items: Posts, Media, Pages, Comments (904), Feedback, Appearance, Plugins (5), Users, Tools, Settings, SEO, Best Testimonial Slider (highlighted), Manage Sliders, Manage Testimonials, Preview Slider, Circle Slider plus Lightbox, Continuous Slider plus Lightbox, Email Subscription, Thumbnail Slider, and Mass Email. The main content area is titled 'Form Settings For "Migrated from free version" Slider' and contains a 'Form Settings' table with 11 rows of configuration options, each with a dropdown menu set to 'Yes'.
