How to add slider to frontend?

1. After login to admin panel. At bottom there is menu called "Post Slider Carousel" click on "Manage Post Carousel"

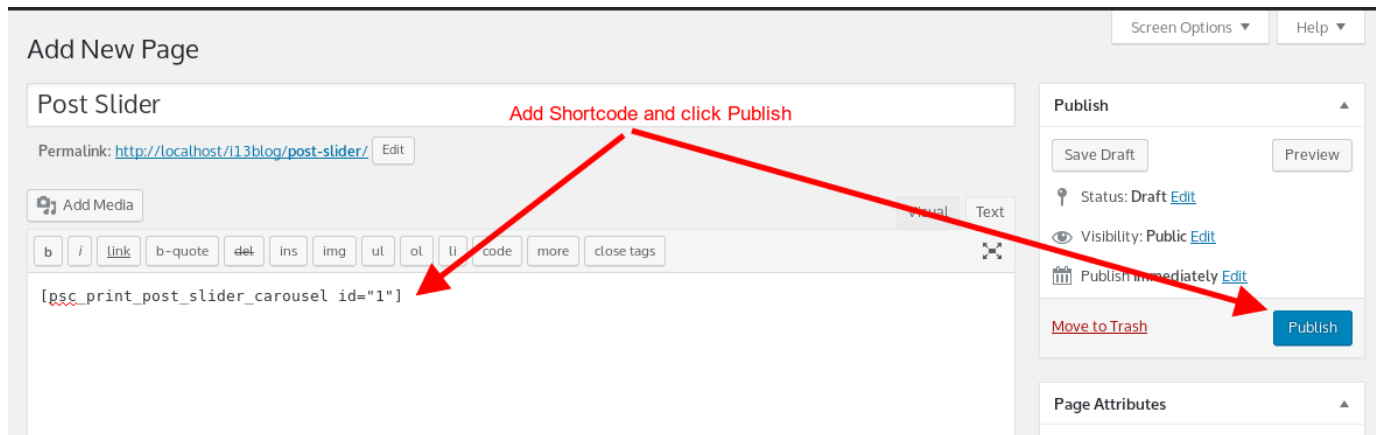

2. Copy Shortcode of slider you would like to print into post or page

The screenshot shows the 'Manage Post Slider Carousel' admin page. At the top, there is a title 'Manage Post Slider Carousel' and an 'Add New' button. Below the title is a 'Bulk Actions' dropdown menu and an 'Apply' button. The main content is a table with the following data:

	Id	Name	Created On	Shortcode	Edit	Delete
<input type="checkbox"/>	1	vertical	2017-02-07 04:44:00	[psc_print_post_slider_carousel id="1"]	Edit	Delete
<input type="checkbox"/>	2	nik test	2017-02-03 05:26:00	[psc_print_post_slider_carousel id="2"]	Edit	Delete
<input type="checkbox"/>	3	Motion	2017-02-02 03:35:00	[psc_print_post_slider_carousel id="3"]	Edit	Delete
<input type="checkbox"/>	4	ticker	2017-02-01 02:06:00	[psc_print_post_slider_carousel id="4"]	Edit	Delete

A red arrow points from the text 'Copy Shortcode' to the 'Shortcode' column of the first row.

3. Go to page or post you would like to have Post Slider Carousel . Open page or post into edit mode and paste shortcode.

How to call slider into PHP theme file?

You can print slider by following code where id is your actual grid id.

```
<?php echo do_shortcode('[psc_print_post_slider_carousel id="1"]'); ?>
```
