Visual Text

Paragraph **B** *I*

Lorem Ipsum is simply dummy text of the printing and typesetting industry. **Lorem Ipsum** has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of **Letraset** sheets containing **Lorem Ipsum** passages, and more recently with desktop publishing software like **Aldus PageMaker** including versions of **Lorem Ipsum**.

Why do we use it?

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using **Lorem Ipsum** is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here,
